A man and a woman walking down the street  
With a son and a daughter, it was, oh, so sweet  
When Mummy turned to Daddy and she said  
"My dear, write out your will, the end is near"

Then she pulled out the gun  
I saw the sparks  
Messed up the suit that he'd bought from Marks  
Because

She'd heard the voices from outer space  
She'd heard the voices from outer space  
She'd heard the voices from outer space  
Saying, "Never trust a man with egg on his face"

Three months later Mrs. B stands  
A smile on her face, blood on her hands  
The kiddies got scared and have run to bed

The headlines in the papers said that  
She was the victim of an awful plan  
Announced through the mouthpiece of a little green  
man

She'd heard the voices from outer space saying  
"Never trust a man with egg on his face"
