You're so physical
Reach your heart out to it
Your heart out to it [Incomprehensible]

I wanna date you maybe
I wanna take you out
I wanna wine and dine you
I wanna twist and twist and shout

I want you hard in my arms
So soft on my bed
And you get the keys to my heart
When you wear that sweet dress
You know, the short one

But you're so physical, physical for me
You're just too physical, physical for me

I want your rowhouse may be
And I want this right in your ear
You let me feel your danger
I let you make this feeling clear

I want the touch of your charms
The heat of your breath
I wanna say all those things, those dirty things
That would be better unsaid

But you're so physical, physical for me
You're just so physical, physical for me

Oh you're so physical, oh
Oh you're so physical, oh
Oh you're so physical, oh
Oh you're so physical, oh, oh, oh
