Pussycat's going to London
looking for love and for fame

I wish somebody had told her
city folks ain't the same.
Pussycat carries a postcard
won't the big city be nice

That's the place with the action
she's gonna have her a slice.
Pussycat
pussycat
where have you been

I've been to London. Now I'm queen.
Sitting pretty
I don't wear suits
and the mice all call me -
Puss'n boots.
Pussycat laughs at the warning
where there's a will there's a way

I think you'd agree if you saw her
Rome's built in a day.
Pusscat's read all the papers
seen the movie and knows

All of the streets lead to somewhere and the
pavements gold.

Pussycat
pussycat
where have you been

. . .

Although you know it's wrong
we must do it everyday

When the morning comes
don't you turn around and say:
It's the bound to end in tears
so let's do it anyway.
Pussycat wasn't a kitten

not as dumb as they thought.
She had a good head on her shoulders and beauty that
couldn't be bought
The royalty made her an offer
if she'd keep trouble at bay

They'd give her the money and diamonds
be queen for a day.
