Well, it's a dopey mopey
Doop-de-boop civilian time
It's all mine and it's a dopey mopey

Doop-de-boop civilian time
It's all mine, crinkum crankum
Turn them up and spank thems fine

Razor keen and good again
Schemes, if you know what I mean
Things are looking good again

Razor keen good again
Gonna take a hatchet to 'em
Hack my way in

Center and stop, pan right and stop
Center and stop, pull back and stop
A new murder squad, off kick murder squad
Kick kick murder squad, hack my way in
