It's Friday night, the lights are low
We're looking for a place to go
With the play nearly right
All night, every night

Honey
(Dondo, Dondo)
Then a voice in the distance grab a hold of you
(Who)
Whispers boy, I'm gonna sexatise you

Don't ever let your private life
Get in the way of your sexy life
She said, don't ever let your private life
Get in the way of your sexy life

Well, in Paris, TX or Paris, France
Down in the alley, still taking a chance
Home of pleasures, live life in a day
If I had my time over I'd do it all again

Sing
(Dondo)
Topping my body with a close of you
Step over hear I'm gonna sexatise you

Don't ever let your private life
Get in the way of your sexy life
She said, don't ever let your private life
Get in the way of your sexy life

Turn up the powers, that power
And ride it right on through
I'm polishing my pretty dolls up
I'm gonna sexatise you

Turn up the powers, that power
And ride it right on through
I'm polishing my pretty dolls up
I'm gonna sexatise you

Well, there is no such thing as good or bad

Was the experience, the best you ever had?
Just want to throw it right on your fire
And just like Sly, 'I wanted to get higher'

She said, don't ever let your private life
Get in the way of your sexy life
