Sound and the fury baby  
Justice of the proud  
You know those manufactured couples with there bad  
news and off style  
Going round and round and round and round going  
round  
Shake off the lint babe the times go up and down you  
know  
There always an invader to inherit the top ground  
Going round and round and round and round going  
round  
Well someone's got to talk to you  
I guess I pulled the short straw  
When you think your really out of this world in it baby  
A strength that shows your such a lot more  
Survival of the fetish  
Survival of the fetish  
So here's the peashot and for doing what you do  
Those creeps will have to look out when they want to  
hassle you  
Going round and round and round and round going  
round  
House of stuart baby riding on you harley  
Your a medieval modern boy, bonny-bonny prince  
charley  
Going round and round and round and round going  
round  
Well someone's got to talk to you  
I guess I pulled the short straw  
When you think your really out of this world in it baby  
A strength that shows your such a lot more  
Survival of the fetish  
Survival of the fetish  
An attitude with my task bags are brown  
And show us like joe lewis  
Couldn't keep up from going down  
Going round and round and round and round going  
round  
There comes a point when there seems no point at all  
You may be doing it all wrong but at least your doin' it  
doin' it  
Going round and round and round and round going

round  
Survival of the fetish  
Survival of the fetish
