Don't like your stare  
Don't like your arm in the air  
Your style is so brash  
And that silly moustache  
But it was tabletalk  
The evil I see  
Sends bad vibrations through me  
And oh such a square  
With your diagonal hair  
But it was tabletalk  
I said to gilly  
'How do you do tabletalk?'  
I said to gilly  
'How do you do tabletalk?'  
And this is what she said:  
"Love love love love love love love love"  
"Love love love love love love love love"  
"Love love love love love love love love"  
  
"Love love love love love love love love"  
The love of his life  
Too close to become a wife  
And the death of this girl  
Came close to saving the world  
From his tabletalk  
I said to gilly  
'How do you do tabletalk?'  
I said to gilly  
'How do you do tabletalk?'  
And this is what she said:  
"Love love love love love love love yeah"  
"Love love love love love love love yeah"  
"Love love love love love love love love"  
"Love love love love love love love love"
