I call 'round your house  
I try on your phone but you cry  
Leave me alone, leave me alone  
Leave me alone, leave me alone  
Leave me, leave me, leave me  
Leave me, leave me alone

I like your face you dig my eyes  
Come on now honey try this for sighs  
And if a push comes to a shove  
And we have to call it love  
Then, baby I'll do it, baby I'll do it

And if a push comes to a shove  
And we have to call it love  
Then, baby I'll do it, baby I'll do it

I don't drive no rig  
I don't need no car so you cry  
Leave me alone, leave me alone  
Leave me alone, leave me alone  
Leave me, leave me, leave me  
Leave me, leave me alone

I like your face you dig my eyes  
Come on now honey try this for sighs  
I don't want no lip  
I can smell your lies when you cry  
Leave me alone, leave me alone  
Leave me alone, leave me alone  
Leave me, leave me, leave me  
Leave me, leave me alone

You like my face I dig your thighs  
Scrap that honey try this for sighs  
And if a push comes to a shove  
And we have to call it love  
Then, baby I'll do it, baby I'll do it

And if a push comes to a shove  
And we have to call it love  
Then, baby I'll do it, baby I'll do it

And if a push comes to a shove  
And we have to call it love  
Then, baby I'll do it, baby I'll do it

And if a push comes to a shove  
And we have to call it love  
Then, baby I'll do it, baby I'll do it
