Did I tell you how much I miss  
Your sweet kiss?  
Did I tell you I didn't cry  
Well I lied, I la la la la la la lied

Over real over  
When I nearly hit the face I loved  
So tired of packaging the anger  
Always pushing you away

Did I tell you, you're wonderful  
I miss you, yes I do  
Did I tell you that I was wrong  
I was wrong, 'cos you're wonderful yeah

Did I tell you, how much I miss  
Your smile?  
Did I tell you, I was okay  
Well no way, no way way way

Over real over  
When I nearly hit the face I loved  
So tired of packaging the anger  
Always pushing you away

Did I tell you, you're wonderful  
I miss you, yes I do  
Did I tell you that I was wrong  
I was wrong, 'cos you're wonderful, yeah yeah  
You're wonderful, yeah yeah yeah

Now now now each and every day  
I realize the price I have to pay, you, you're wonderful  
And now for your information  
I'm walking around like an arm decoration, you, you're  
wonderful

So high I can't get over it  
So deep I can't get under it, you, you're wonderful  
You're wonderful, yeah yeah yeah  
You're wonderful, yeah yeah  
You're wonderful, yeah yeah

## Wonderful

Did I tell you, you're wonderful?  
I miss you, yes I do, I said  
Did I tell you that I was wrong?  
I was wrong for so long long long

Did I tell you, you're wonderful?  
I miss you, yes I do, I said  
Did I tell you that I was wrong?  
I was wrong for so long long long

Did I tell you, you're wonderful?  
I miss you, yes I do, I said  
Did I tell you that I was wrong?  
I was wrong for so long long long  
Did I tell you, you're wonderful?
