Crime mob niggaz gettin started

And we niggaz be the hardest

So if a nigga come and run his mouth just like ho

Punch 'em dead up in his nose

And stomp his ass down to the flo'

Now enough is enough boy

Rough and stuck boy

Knuck is a must boy

Knuck if buck boy

[Chorus]

[Verse 3]

Jumpin off from on the stage
Throwin'dem bows like Johnny Cage
All my niggaz startin' riots
Knockin down the barricade
Everywhere we be to deep
The M.O.B is to elite
The loudest niggaz shout
You'd be jawed if you too close to me
Puttin down constantly
Runnin through yo city streets
Broken bones lay alones down across the concrete
Knuckin and we buckin and we duckin
If you get to close
In my eyes you wasn't nice
I think next time I knuck you ho

[Verse 4]

I come in da club
Shakin my dreads, throwin dem bows
And bussin these heads
Bitch you irrelevant step to my residence
Besta back up for I send you ellect

Not leavin trace not leavin a line
We knuckin and buckin cuz I got a nine
I blow you away cuz you wastin my time
Stupid ass niggaz yall know what to do
I waste yo ass you step to my crew
I'm through wit you haters so watch what you do
You talkin to me and I'm poppin to you
You buckin on us and we sit in yo class
You buckin on me and that shit gone get nasty
I'm colder than ice and I'm freezing out here
I target yo city but you cannot tell

[Verse 5]

Knuck if you buck boy
But you betta come equip
I got some shit off in my trunk thats gonna make yo
