Don't mean to get a little forward with you, don't mean  
to get ahead of where we are  
Don't mean to act a little nervous around you, I'm just a  
little nervous about my heart 'cause  
It's been awhile since I felt this feeling that everything  
that you do gives me  
It's been so long since somebody whispered  
Shut up and kiss me

Didn't expect to be in this position, didn't expect to  
have to rise above  
My reputation for cynicism, I've been a jaded lady when  
it comes to love but  
Oh baby just to feel this feeling that everything that you  
do gives me  
It's been too long since somebody whispered  
Shut up and kiss me

There's something about the silent type attracting me  
to you  
All business baby none of the hype  
That no talker can live up to  
Come closer baby I can't hear you, just another whisper  
if you please  
Don't worry 'bout the details darlin', you've got the kind  
of mind I love to read  
Talk is cheap and baby time's expensive, so why waste  
another minute more  
Life's too short to be so apprehensive, love's as much  
the symptom darlin' as the cure  
Oh baby when I feel this feeling, it's like genuine  
voodoo hits me  
It's been too long since somebody whispered...  
Oh baby I can feel this feeling that everything that you  
do gives me  
It's been too long since somebody whispered  
Shut up and kiss me  
Shut up and kiss me
