

Jumpsteady "Frequencies"

Visit "[Frequencies](#)" on MotoLyrics.com

If you can laugh, over me
If you can laugh, over me
If you can bleed, over me
If you can bleed, over me

Rain drops
Paper cups
Tears fall
You're lost
In a ride
Dont stop
Rain down your love

Is it wrong, is it right?
Is it comfortable tonight
Is it sane, does it have to be this way?
x2

If you can laugh over me
Hands create harmony
Heart beats from over seas
Hopes for distant unity
If u can bleed over me
Speak the same frequency
What should seem far from reach
Merely be a formality

Rain drops
Paper cups
Tears fall
You're lost
In a ride
Dont stop
Rain down your love

Is it wrong, is it right?
Is it comfortable tonight?
Is it sane, does it have to be this way?
x2

Days have past, and weeks into nothing

Soon you'll see, we all do the same thing
Days have past, and weeks into nothing
Soon you'll see,
And what if I wont be there
Ready

Is it wrong, is it right?
Is it comfortable tonight?
Is it sane, does it have to be this way?
x4
