"Joke Ya Mind"

...dream of all the wonderous things of the world.
And I'm young again.
And I can fly.....fly right up over these walls
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
Joke ya, joke ya, joke ya mind
(Now I lay me down to sleep)
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to keep)
Open eyes, the dream's alive
See the dragon slipping by
Step outside and glide away
'cause nothing's wicked here today
Mystic lands glowing in the night
The glory of my wondrous sight
Bringing me to eternity
Upon a phantom land of tranquility
I can breathe the magic mist
And excell your every wish
Juggla jump from cloud to cloud
Ring them bells, ring them loud
I can jump across the land,
Wind up in the emerald sand
Swing the jewels of endless time
Take it all 'cause it's mine
Demons come but then quickly fade
As I sit upon a throne of jade
All lost loves are found again
As pieces of my heart do mend
Life is born upon my death
Pain is a shadow put to rest
This is my world, I am king
Joker sing, joker sing
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
Joke ya, joke ya, joke ya mind
(Let me die before I wake)
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
Joke ya, joke ya, joke ya mind

(I pray the Lord my soul to take)
I can in fall in love like that
In my world she loves me back
If I choose, I choose alone
Freak is gone
Boys, it's on
'cause the homies watch your back
Life is over like that
Once it's done, it's done, it's dead
Ticky tocky, ticky dead
A thousand lives I do live
As I open wide Pandora's lid
The hourglass has come to reap
My waking soul as I sleep
"They say a dream takes only a second. And yet in that
second, a man can live a lifetime. He can suffer and
die, and who's to say which is the greater reality? The
one we know or the one in dreams?"
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to take)
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)

Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to take)
I can beathe the magic mist
And excell your every wish
Juggla jump from cloud to cloud
Ring them bells, ring them loud
I can jump across the land
Wind up in the emerald sand
Swing the jewels of endless time
Take it all 'cause it's mine
(mine....mine)
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to take)
Joke ya, joke ya, joke ya mind
(mine....mine)
(Joke your mind, joke your mind)
(it's all mine..mine)
Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to take)
Take it all 'cause it's mine
('cause it's mine)
It's all mine
(It's all mine)
(I can breath the magic mist..)

Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
(Juggla jump from cloud to cloud...)
Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to take)
(I can jump across the land...)
Joke ya, joke ya, joke ya mind
(Joke your mind, joke your mind)
(Swing the jewels of endless time)
Joke ya, joke ya, joke ya mind
(I pray the Lord my soul to take)
I can breathe the magic mist
And excell your every wish
(It's mine....mine)
Juggla jump from cloud to cloud
Ring them bells, ring them loud
(I'd like it all..)
I can jump across the land
Wind up in the emerald sand
(mine....mine)
Swing the jewels of endless time
Take it all 'cause it's mine
