jeena hai jeena hai jeena hai, tera ho ke hai jeena hai jeena hai jeena hai

jeena hai jeena hai jeena hai, tera ho ke hai jeena hai jeena hai jeena hai

yaar rahe ya Rab tu mera or mei tera yaar rahon

mujh ko fakat tujh se ho muhabbat

khalk se mei bezar rahon, her dam zikar o fikar mei tere

mast rahon sarshaar rahon

hosh rahe na mujh ko kisi ka

tera magar hoshiyaar rahon

ab tu rahe bus tadah mei akhir vird-e-zaban hai ae mere ilaa

la ilaha ilala la ilaha illala

la ilaha ilala la ilaha illala

la ilaha ilala la ilaha illala

tere siwa mabood-e-haqeqi, koi nahi hai koi nahi

tere siwa masood-e-haqeqi, koi nahi hai koi nahi

tere siwa moujood-e-haqeqi, koi nahi hai koi nahi

tere siwa mashood-e-haqeqi, koi nahi hai koi nahi

ab tu rahe bus tadah mei akhir vird-e-zaban hai ae mere ilaa

la ilaha ilala la ilaha illala

la ilaha ilala la ilaha illala

la ilaha ilala la ilaha illala

dono jahan mei jo kuch bhi hai

sub hai tere zer-e-nageen

jin o ins o hor o malaik

arsh o kursi charkh o zameen

kon o makan mei laiq-e-sajda

tere siwa ae nor-e-mobeen

koi nahi hai koi nahi hai, koi nahi koi nahi

ab tu rahe bus tadah mei akhir vird-e-zaban hai ae mere ilaa

la ilaha ilala la ilaha illala

la ilaha ilala la ilaha illala

la ilaha ilala la ilaha illala

jeena hai jeena hai jeena hai, tera ho ke hai jeena hai jeena hai jeena hai

jeena hai jeena hai jeena hai, tera ho ke hai jeena hai jeena hai jeena hai

yaad mei teri sub ko bula don koi na mujh ko yaad rahe

tujh per sub ghar baar luta don

khana-e-dil abaad rahe

sub khushion ko aag laga don ghum se tere dil shaad rahe

sub ko nazar se apni gira don tujh se fakat faryaad rahe

jeena hai jeena hai jeena hai, tera ho ke hai jeena hai jeena hai jeena hai

jeena hai jeena hai jeena hai, tera ho ke hai jeena hai jeena hai jeena hai
