Please don't go  
You know it took so long to get you girl  
Please don't go  
You know it took years before I met you girl  
If you just come back tonight  
Put the sheets up so we can hide  
Would you go  
Oh baby don't go  
Where'd you go  
The search parties endless and we need to know  
Just where'd you go  
It's been bottles and beer cans since you've been gone  
girl  
Did you lose a little hope in time right before you  
caught the train at nine  
Where'd you go  
This town is alone  
I've been told  
The streets have been weeping since you've been gone  
girl  
Oh I've been told  
You're just a ghost whose come to haunt me girl  
Will I ever ever let you go  
Not a burden just a thorn in my throat  
I've been told  
You're feeling alone  
I don't know why  
Living with out you is hard  
But I know why  
I keep moving on  
With my heart  
Please don't go  
You know it took so long to get you girl  
Please don't go  
You know it took years before I met you girl  
If you just come back tonight  
Put the sheets up so we can hide  
Would you go oh baby don't go  
If you just come back tonight  
Put the sheets up so we can hide  
Would you go  
I'm feeling so low

Oh baby don't go  
Please baby don't go
