Dancing by yourself every night...
Waiting for the glimpse of the lights...
No, no, no...

Looking into sparkling eyes...
Telling you the sweetest lies...
No, no, no...

You feel the heat...
Want to be free...
Try to escape...
Someone's coming...

Shy girl...
(Shy, shy girl)
Shy girl...

Shy girl...
(Shy, shy girl)
Shy girl...

He says I been watching you...
And I know you're feeling blue...
No, no, no...

Maybe we all want the same?
Maybe it's the rule of the game?
No, no, no...

We feel the heat...
Like us to meet...
We got the right to illusions...

Shy girl...
(Shy, shy girl)
Shy girl...

Shy girl...
(Shy, shy girl)
Shy girl...

You're so shy

You're my girl
You're so shy
And you're so sweet...

Uuuu girl

You're so shy
You're so sweet
Shy girl, shy girl...

Shy, so shy
You're so shy
And you're so sweet...
