I love you more than I can say
I'll love you twice as much tomorrow
Oho, I love you more than I can say

I miss you every single day
Why must my life be filled with sorrow?
Oho, I love you more than I can say

Oh, don't you know I need you so?
Oh, tell me, please, I gotta know, yes
Do you mean to make me cry?
Am I just another girl?

I miss you more than I can say
Why must my life be filled with sorrow?
Oho, I love you more than I can say

Oh, don't you know I need you so?
Oh, tell me please, I gotta know, yes
Do you mean to make me cry?
Am I just another girl?

I love you more than I can say
I'll love you twice as much tomorrow
Oho, I love you more than I can say
I love you more than I can say

Oho, I love you twice as much tomorrow
I love you twice as much tomorrow
I love you more than I can say
I love you more than I can say boy
I love you, I love you more than I can say
I love you more than words can say boy
I really love you
