"Someone Loves You"

I want to share your life
every minute
every day and night
And I want you to know that whatever you do

And wherever you go
remember...

Someone loves you
honey
no matter what
just be my guy.
Someone loves you
honey
more than anything in the world.

I'm so glad
I'm the one that you come to
when you needed someone
That's what my love is for

it's a shoulder to lean on

A part in a storm. Remember

Someone loves you
honey
no matter what
I just want you to be my guy.
Someone loves you
honey
more than anything in the world.
Someone loves you
honey
no matter what
just be my guy....
Someone loves you
honey
no matter what
I just want you to be my guy....
