I understand just how you feel  
Your love for me, why not be mine?  
It's over now but it was grand  
I understand, I understand

If you ever change your mind  
Come back to me and you will find  
Me waiting there, at your command  
I understand, I understand

I miss you so, please believe me when I tell you  
I just can't stand to see you go  
You know

If you ever change your mind  
Come back to me and you will find  
Me waiting there at your command  
I understand, I understand

SPOKEN: "I understand just how you feel. Let bygones  
be bygones. But always  
remember I love  
you, I love you, I love you."

(We'll sip a cup of wine, my dear, for Auld Lang Syne )  
I understand

TRANSCRIBER'S NOTES: The Scottish folk song "Auld  
Lang Syne" is sung  
throughout by

backup singers. Some versions may NOT have the "Auld Lang Syne" part and may also include an alternate last verse in lieu of the second "If you ever change your mind". The alternate lyrics are:

Please understand just how I feel  
Your love for me why not reveal  
And we will know this time it's real  
We'll understand
