He's the answer to a maiden's prayer
And the way that he treats me
Each time that he meets me
Shows me I'm his big affair (his big affair)

He's the answer to a maiden's prayer
Sent to me from heaven
And I'm in heaven
Because he takes me there (he takes me there)

He makes me believe
I was born to be kissed
And the way that I feel, I agree
He knows what I need
And he knows what I've missed
And he knows he belongs to me (belongs to me)

There's forever in the love we share
In the big and small ways
He's mine for all ways
The answer (answer) to a maiden's prayer
