Here I stand  
His ring  
Is on my hand  
But he's second best  
In my heart

He loves me so  
Dear Lord  
Don't let him know  
I'm only playing  
A part

Here I stand  
My ring is on her hand  
But I know she's playing  
A part  
I need her so  
I'm right for her I know  
But I'm second best  
In her heart

(How handsome the groom) There they stand  
(How lovely the bride) His ring is on her hand  
(How faithful the friend as he stands by their find) But  
once once I was first in her heart  
(How happy a wedding?) I made her see a friend I'd  
always be  
(This?) I've loved someone else from the start

Dear Lord above  
Inspire me with a word  
So strong  
That the past (Dear Lord above)  
Will depart (Let me stand by her side)  
Don't let me rest  
Until the second best  
Is truly the first  
In my heart  
The first  
And last  
In my heart
