You are everything  
(Yeah)  
And everything is you.  
(Junebug Slim)  
Baby, you are everything  
(That's right)  
That's why I love you.  
(Uh huh uh huh)  
You are my everything  
(Here comes another one)  
My gangsta love  
(Gangsta love)  
My sexy mamasita  
You're my only one.

Yo, what's crackin lil mama, recognize the flow.  
I had you on my mind since the jam was slow.  
Still remember those days we were sittin at the park,  
huggin and kissin til way after dark.  
Sexy, full lips, them dark brown eyes,  
The way you got me sprung got your boy hypnotised.  
And uh,  
Oh girl, I like your style,  
A bad mamsita standin in the crowd.  
No one could take your place when we face to face,  
You're shotgun in my Caddy as we mobbin to the base.  
You a rider baby.  
(my rider)  
And that's the truth,  
(my rider)  
you'll always be my everything,  
always down for June.

You are everything  
(Yeah)  
And everything is you.  
(Junebug Slim)  
Baby, you are everything  
(That's right)  
That's why I love you.  
(Uh huh uh huh)

You are my everything  
(Here comes another one)  
My gangsta love  
(Gangsta love)  
My sexy mamasita  
You're my only one.

Let me get some time alone,  
got you on the other end of the phone,  
your sexy voice tellin me you'll be right over.  
Let me take my time with you,  
your perfume is an aphrodesiac.  
How could I not react to it?  
I was on it since the eye to eye contact  
(How you doin girl?)  
My first words to you, as soon as you walked in the  
room,  
"God made you special, the world's blessed to have  
you in it."  
You so sexy, so appealin,  
how can I fight this feelin?  
I'm enablin between the sheets with you, girl.  
And this is our song, that we make love to.

You you you you are everything  
And everything is you.  
Baby, you are everything  
That's why I love you.  
You are my everything  
My gangsta love  
(Gangsta love C'mon Yeah)  
My sexy mamasita  
You're my only one.

Check this out girl.  
Esta conciones para ella mi luna mi estrella,  
I knew it from that first day, you would be my nana.  
I never thought I'd meet a girl so pretty,  
so I promised you the world and the keys to Magic City.  
The love letters, late nights on the phone,  
these dedications to each other on the radio.  
In case you didn't know it, I'm crazy for you.  
Every song I ever wrote, I did it all for you.  
So forget about them haters and listen to your heart,  
put your trust in me and we gon' never be apart.  
Tonight is your night, let's make it last forever.  
Junebug Slim and NB Ridaz down for whateva.

You you you you are everything  
And everything is you.  
Baby, you are everything

That's why I love you.  
You are my everything  
My gangsta love  
(Gangsta love)  
My sexy mamasita  
You're my only one.
