(Feat. NB Ridaz)

You are everything and everything is you baby you are everything and thats why I love you.

You are my everything my gangster love my sexy mamacita you're my only one.

Yo whats crackin lil mama reconigze the flow i had you on my mind since the jam was slow still remember those days we were sittin in the park huggin n kissin til way after dark sexy full lips and dark brown eyes the way you got me sprung got your boy hypnotized and ooh girl i like your style a bad mamcita sanding in the crowd no one can take your place when we're face to face you're shotgun in my caddy as we mobbin to the bass your my rida baby n thats the truth you'll always be everything always down for june

You are everything and everything is you baby you are everything and thats why I love you.

You are my everything my gangster love my sexy mamacita you're my only one.

Let me get some time alone got you on the other end of the phone your sexy voice telling me you'll be right over let me take my time with you your perfume is an afrodiscak how could i not react to it i was on it since the eye to eye contact (how you doing) my first owrds to you as soon as you walked into the room God made you special the worlds blessed to have you in it your so sexy, so apealing how can i fight this feeling im in heaven between the sheets with you girl this is our song that we make love to (come on)

You are everything and everything is you baby you are everything and thats why I love you.

You are my everything my gangster love my sexy mamacita you're my only one.

Come on yeah check this out girl Estan persoin cin ella

es mi uno mi estrella i knew it from that first day you
would be my nena i never thought i'd meet a girl so
pretty so i promised you the world and the keys to
magic city the love letters late nights on the phone
these dedications to eachother on the raio incase you
didnt know it im crazy for you every song i ever wrote i
did it all for you girl forget about them haters and
liswten tto your heart put your trust in me and we will
never be apart tonight is your night lets make it last
forever Junebug slim and NB Ridaz we down for
whatever.

You are everything and everything is you baby you are
everything and thats why I love you.

You are my everything my gangster love my sexy
mamacita you're my only one
