Uncle Sam Mike G Baby Bam  
Road-manager Chris this joint is slammin'  
5000000000000000000000 boomin' watts  
Sound system state of the art  
Travel lytely clothes packed neatly  
Strapped with the Baby Bam Baby Bam Beat see  
Pull in early do the sound check  
I wanna get on but the crowd ain't around yet  
I scream out JUNGLE so you know that I'm here  
Give a shout out to Smokey the Bear  
It's almost time it's almost time  
It's almost time to bring forth the rhyme  
Any minute now any second now  
Pay attention close we're gonna show you how  
Come along everybody let's gather round  
Once again we're gonna get on down  
Give ya somethin' to go home and talk about  
The odds were against us but we stayed and  
fought it out  
I heard you was long overdue  
Who's comin' through yawl know who

Jmes Brown's getaway BRIDGE

Toe to toe yawl, blow for blow yawl  
Mike G gonna show em what we know how  
Indeed the seed of peace is here to give ya  
what ya need  
J. BEEz in the lead!  
I took a plane 'cause it was just too far to swing  
To bring my Jungle Thing  
Packed my clothes gettin' ready for a trip  
Planned my moves so my mind won't slip  
I wrote some rhymes with a positive message  
In case some head in the crowd might tape this  
Very bad brother from another land  
Known to the world as the Motherland  
AfriKan can do and will achieve  
To teach the world in what he believes  
Another brother may try to bring me down  
But I let 'em know I don't clown around

If ya play around then ya lay around  
If ya lay around then ya stay around  
Ya see ya can't keep a brother from doin' his do  
So keep in mind J. BEEz comin' through!
