"Butchering Death"

Blood running through
my veins
shot of dope to my brain
cracking down your
fucking spine
struggling through the
endless lie

never seems to look the
same
evil in his eyes
deceiving you soaked
with rage
butchering death

after death we will
awake
and arise from the
depths of hell
rotten zombies out for
blood
butchering and
mutilating bodies

psychotic
insane butchery
tasting
your blood from me

never seems to look the same
evil in his eyes

deceiving you soaked with rage
butchering death

evil that comes from within
controlling you I live on your sins

gaining strength from all your lies
I can see through your demise

I feed on violence

I hear your screaming
I see your death
through your eyes

I live hate
on violence you're screaming

I'm insane in a rage
await to see how you will die
I crave your blood the innocent cry
I'll tell you things you don't want to hear
when you think of me you'll think of fear

I feed on violence
I hear your screaming
I see your death through your eyes
I live hate on violence you're screaming

Blood running through my veins
shot of dope to my brain
cracking down your fucking spine
struggling through the endless lie
