To dig a hole in ground  
Fresh soil  
To bury you into earth  
Shallow grave  
You're gonna taste the mud  
Face down  
Pure [?] consumed you  
Dead bodies

Beneath the soil your body rests  
I think it's time to pay last respects  
It's way to late to bring back the dead  
Your time has come now, you're laid to rest

Now that I rid you from  
Living here  
Your souls must find a new  
Place to live  
You're gonna taste the mud  
Face down

My plan to kill you, it was success  
To mutilate you with finesse  
I know it's sad, but you had to go  
Your weak existence was killing us

Lying face down in the mud  
Left for dead, left to rot  
No chance left for survival  
Certain death coming fast

Face down  
Face down

Lying face down in the mud  
Left for dead, left to rot  
No chance left for survival  
Certain death coming fast

Face down  
Face down

Beneath the soil your body rests  
I think it's time to pay last respects  
It's way to late to bring back the dead  
Your time has come now, you're laid to rest
