Don't wait, don't wait

I gotta go girl but I still love ya
Yes I'm in love you I'll never forget you
Your... kisses you lips are delicious
When you put it down makes me wanna stick around

But I gotta do me but let's like a movie
Girl I gotta be rollin don't pursue me
Don't be acting funny
I just need you to trust me
Baby girl don't wanna break you down
I love you but I can't stay around

Chorus:
Don't wait, don't wait, don't wait
I'll do anything for you
Don't wait, don't wait, don't wait
I'll be ready baby

I'm just too young for settle down
And I still love ya
I don't wanna take down, and I still love ya

You come closer you make it harder,
Be the wanna go go go go
I gotta do me... getting to lose me
This is getting confusing
Don't be hating, don't be acting for me
'Cause I'm getting this funny
Baby girl don't wanna break you down
I love you but I can't stay around

Chorus:
Don't wait, don't wait, don't wait
I'll do anything for you
Don't wait, don't wait, don't wait
I'll be ready baby

Don't wait ahh, don't wait ahh, don't wait ahh
Going for my love baby

Don't wait ahh, don't wait ahh, don't wait ahh
Don't wait for my love baby

Going up going up, going going up, going away
