Why?, why did my heart beat so hard when she caught  
my eye?  
Why did it feel like she stole every moment inside?  
Tell me, why would she want to wait around when she  
know she fly?  
Well, I feel like I'm gonna die if she don't come inside

I'd do anything for you, you know  
We can dip, take a trip  
Where you want to go?  
Me and her, late night  
We can make it hit right  
First I gotta meet her, tell me have you seen her?

[chorus]

Tell me, have you seen her?

Baby, you a star

Baby, you a star

Baby, you a star

She's shining

She's shining

She's shining

She's shining

I was supposed to meet her

Baby, you a star

Baby, you a star

Baby, you a star

She's shining

She's shining

She's shining

She's shining

[She's Shinin' Lyrics On ]

Tell me, why she takin her time when she could be  
mine?

And if I don't find out baby, you know I just don't mind

I'd do anything for you, you know

We can dip, take a trip  
Where you want to go?  
Me and her, late night  
We can make it hit right  
First I gotta meet her, right?

[chorus]

Head to toe, she got it goin on  
Head to toe  
She's shining  
She's shining  
She's shining  
She know she got it like that  
Head to toe, she got it goin on  
Head to toe  
She's shining  
She's shining  
She's shining  
She know she got it like that

[chorus]

I'd do anything for you, you know ...
