Too young (x4)

Too young, Oh (x4)

Girl the night's not over (Oh, too young)

We're not getting older

They can chase forever

'Cause in the morning there's a million names to
choose from

You don't care just take one

Leave a place to rest on

Because you're too young

Yeah you're too young

Oh you're too young

You're too young

Too young, Oh (x4)

Too young, Uh (x4)

There goes another million,

Just wrap it up we own it

This night's a skill we hone it

And in the morning would you tell me that it's over?

You think that you'd do better

To stick with someone older

Because we're too young

Oh, too young (x4)

Too young

Yeah, we're too young in the morning.

We're too young

We're too young in the morning.

(Repeat)
