Go back to bed, my sweet
Close both your eyes
You can feel my hands
I'm wrapped inside
Sing with you
I'll stay here forever

If you want me to
I'll be here with you
If you want me to
I'll stay next to you
Now and forever

Now let just sleep come
And the night washed through
Thought I might be tired
And wanna sleep too
I'll stay awake
And nothing can change me

If you want me to
I'll be here with you
If you want me to
I'll stay next to you
Now and forever

If you want me to
I'll be here with you
If you want me to
I'll stay next to you

If you want me to
I'll be here with you
If you want me to
I'll stay next to you

(Oooh, oooh)
