They call me the Nashville Rebel  
They say leave that boy alone  
Don't you give him advice or he'll turn to ice  
And you might as well talk to stone.

But I've got things to do  
And things to say in my own way  
I don't have time for your parties  
My love's little guessin' games.

I've got songs to write in the still of night  
I was born to write and sing  
And I've got things to do  
And things to say in my own way.

--- Instrumental ---

They call me the Nashville Rebel  
Little girl don't you waste your time  
For I've given my heart to this old guitar  
You deserve a better love than mine.

And I've got things to do  
And things to say in my own way  
I'm the Nashville Rebel  
I'm alone and I like it fine.

I'd like to have a wife and live a normal life  
But I just don't have the time  
'Cause I've got things to do  
And things to say in my own way.

I've got things to do and things to say  
In my own way...
