Lifeguard Larry

Well I met this gal down by the ocean, she let me use  
her towel and her suntan lotion  
But she was swimmin' toward the lifeguard and payin'  
no attention to me  
She started lookin' white and a little winded and I saw  
the lifeguard dart on in  
When he pulled her out I swear he winked at me

She's gettin' mouth to mouth first aid from good 'ol  
lifeguard Larry  
He's the expert at pullin' girl out of the sea  
He's doin' his level best, she's breathin' heavy from her  
chest  
And she don't look like she's hurt too bad to me

His mouth to mouth resuscitation has gotten quite a  
reputation  
But it's only pretty girls that have emergencies  
I wish those babes would learn to swim and quit  
parading around for him  
Because in those skimpy suits there's not much he  
don't see

[chorus]

[solo]

He answers trouble calls so quick with girls pretending  
to be sick  
He's got 'em makin' lines as far as the eye can see  
I wish he'd quit pickin' the flowers and get back up  
there on his tower  
And leave one of those pretty bathin babes for me ...  
but no
