

Junior Caldera "Sleeping Satellite"

Visit "[Sleeping Satellite](#)" on MotoLyrics.com

I blame you for the moonlit sky
And the dream that died with the eagle's flight
I blame you for the moonlit nights
When I wonder why are the seas still dry?
Don't blame this sleeping satellite

Did we fly to the moon too soon? Did we squander the
chance?
In the rush of the race, the reason we chase is lost in
romance
And still we try
To justify the waste for a taste of man's greatest
adventure, oh

I blame you for the moonlit sky
And the dream that died with the eagle's flight
I blame you for the moonlit nights
When I wonder why are the seas still dry?
Don't blame this sleeping satellite

Have we got what it takes to advance? Have we peaked
too soon?
If the world is so great, then why does it scream under
a blue moon?
We wonder why
If the earth's sacrificed for the price of it's greatest
treasure, oh

I blame you for the moonlit sky
And the dream that died with the eagle's flight
I blame you for the moonlit nights
When I wonder why are the seas still dry?
Don't blame this sleeping satellite

And when we shoot for the stars (stars stars stars stars
stars)
What a giant step (step step step step step)
Or pass it by
Like a shot in the dark, miss the mark with a sense of
adventure, oh

Oh oh oh oh oh, yeah yeah, oh oh oh oh oh, yeah yeah

I blame you for the moonlit sky
And the dream that died with the eagle's flight
I blame you for the moonlit nights
When I wonder why are the seas still dry?
Don't blame this sleeping satellite.
