

Junior Caldera "The Way"

Visit "[The Way](#)" on MotoLyrics.com

It's the way that it's going on
They keep killing our people, they know that it's wrong
What are we to do? Ooh, ooh, ooh, ooh, ooh, ooh
It's the way that it's going on
They keep killing our people, they know that it's wrong
What are we to do? Ooh, ooh, ooh, ooh, ooh, ooh

Till the world is one with so many faces and so many
races(
Just what is going on
Seems like no one can face it, I'm tired and naked
Days go by, I feel helpless and wander with tears I cry(
You know I try, we gotta break the chains so that we can
smile

It's the way that it's going on
They keep killing our people, they know that it's wrong
What are we to do? Ooh, ooh, ooh, ooh, ooh, ooh
It's the way that it's going on
They keep killing our people, they know that it's wrong
What are we to do? Ooh, ooh, ooh, ooh, ooh, ooh

Will there ever be an end to it? And we are ready for
new start
I promise that you will never regret a love that cannot
be torn apart

It's the way that it's going on
They keep killing our people, they know that it's wrong
What are we to do? Ooh, ooh, ooh, ooh, ooh, ooh
It's the way that it's going on
They keep killing our people, they know that it's wrong
What are we to do? Ooh, ooh, ooh, ooh, ooh, ooh.
