Here I am without a message  
Here I stand with empty hands  
Just a spirit tired of wandering  
Like a stranger in this land

Walking wide eyed through this world  
Is the only way I've known  
Wrapped in hope and good intentions  
Bare to the bone

There is nothing I won't show you  
Nothing I can hide  
Risky it all and dreamt it all  
And seldom questioned why

You took me in when I was hungry  
When my spirit ached and groaned  
Laid wide open and defenseless  
And bare to the bone

So, when I rise, I rise in glory  
If I do, I do by grace  
Time will wash away these footprints  
And we'll leave without a trace

Between here and now and forever  
Is such precious little time?  
What we do in love and kindness  
Is all that we leave behind

When my lights are slowly fading  
And my eyes are softly waning  
And the evening sun is setting  
And the world is barely breathing

Then your voice will call me  
And your hands can lead me home  
Like a newborn awed and naked  
And bare to the bone

So, when I rise, I rise in glory  
If I do, I do by grace

Time will wash away these footprints  
And we'll leave without a trace

Between here and now and forever  
Is such precious little time  
What we do in love and kindness  
Is all we ever leave behind

Here I am without a message  
Here I stand with empty hands  
Just a spirit tired of wandering  
Like a stranger in this land

Walking wide eyed through this world  
Is the only way I've known  
Wrapped in hope and good intentions  
Bare to the bone

Wrapped in hope and good intentions  
Bare to the bone
