Ever ever after
Storybook endings
Fairy tales coming true
Deep down inside
We want to believe they still do
In our secretest heart
It's our favorite part of the story
Let's just admit
We all want to make it to

Ever ever after
If we just don't get it our own way
Ever ever after
It may only be a wish away

Start a new fashion
Wear your heart on your sleeve
Sometimes you reach what's realest
By making believe
Unafraid, unashamed
There is joy to be claimed in this world

You even might wind up
Being glad to be you
Ever ever after
Though the world will tell you
It's not smart
Ever ever after
The world can be yours
If you let your heart
Believe in ever after

No wonder your heart
Feels it's flying
Your head feels it's spinning
Each happy ending's
A brand new beginning
Let yourself be enchanted
You just might break through

To ever ever after

Forever could even start today
Ever ever after
Maybe it's just one wish away
Your ever ever after

Ever ever ever after

(I've been dreaming of a true love's kiss)

For ever ever after
