I set out on a narrow way  
Many years ago  
Hoping I would find true love  
Along the broken road  
But I got lost a time or two  
Wiped my brow and kept pushing through  
Couldn't see how every sign  
Pointed straight to you

Every long lost dream  
Led me to where you are  
Others who broke my heart  
They were like northern stars  
Pointing me on my way  
Into your loving arms  
This much I know is true  
That God blessed the broken road  
That led me straight to  
Led me straight to you  
Others who broke my heart  
They were like northern stars  
Pointing me on my way  
Into your loving arms  
This much I know is true  
That God blessed the broken road  
That led me straight to you  
(Yes it did)

I think about the years I spent  
Just passing through  
I'd like to have the time I lost  
And give it back to you  
But you just smiled and take my hand  
You've been there you understand  
It's all part of a grander plan  
That is coming true

Every long lost dream  
Led me to where you are  
Others who broke my heart  
They were like northern stars

Pointing me on my way  
Into your loving arms  
This much I know is true  
That God blessed the broken road  
That led me strait to  
Led me straight to you  
Others who broke my heart  
They were like northern stars  
Pointing me on my way  
Into your loving arms  
This much I know is true  
That God blessed the broken road  
That led me straight to you  
(Yeah)

Now I'm just rolling home  
Into my lover's arms  
This much I know is true  
That God blessed the broken road  
That lead me straight to you  
That God blessed the broken road  
That lead me straight to you  
(Oooh)
