When I was little my mama always taught me well  
She'd say stay away from thoughts bad boys  
Or I'll be raisin' hell  
She only wanted what's best for me  
And I really appreciate that  
But no one's gonna tell me what to do  
And that's a damn fact

I ain't, I ain't  
No good girl, good girl  
I do what I want when I wanna do it  
You might think that you can change me  
But I've been there done that I'm through with it  
I wear my skirts just a little too low  
And my shirts just a little too tight  
Don't try to tell me it's wrong  
Cause oh it feels so right  
I ain't I ain't no  
Good girl, good girl

I like having a few drinks with gals  
And flirtin' with the guys  
I like driving a hundred miles an hour  
And youtubeing NBD Worldwide  
You might might call me crazy  
I guess I'd have to agree  
I'll just blow you kiss and say to hell with it  
That's why all the boys want me

I ain't, I ain't  
No good girl, good girl  
I do what I want when I wanna do it  
You might think that you can change me  
But I've been there done that I'm through with it  
I wear my skirts just a little too low  
And my shirts just a little too tight  
Don't try to tell me it's wrong  
Cause oh it feels so right  
I ain't I ain't no  
Good girl, good girl

Oh oh baby I may be livin' a little dangerous  
Ooh ooh oo oo  
But it's all in the name of fun  
Oh ooh oh oo oo  
Come on hop in my truck and well run baby run

I ain't, I ain't  
No good girl, good girl  
I do what I want when I wanna do it  
You might think that you can change me  
But I've been there done that I'm through with it  
I wear my skirts just a little too low  
And my shirts just a little too tight  
Don't try to tell me it's wrong  
Cause oh it feels so right  
I aint I ain't no  
Good girl, good girl

Yeah yeah yeah  
I ain't no good girl
