You can rest your head upon my heart
And we'll curl into a question mark
And I'll hold you in the arms of hush
And love will have to be enough

There's a time to laugh and a time to grieve
There's a time to speak and a time to breathe
Let the silence be the place we meet
The space between our heart beats

Hey, la, hey, la, hey, li
Hush, my darlin', hush a bye
Sparrows fall and sparrow fly
And we may not ever know why

Some things we can forgive one time
Then it's out of sight and it's out of mind
Some things we have to forgive twice
And every day for all our lives

Hey, la, hey, la, hey, li
Hush, my darlin', hush a bye
Sparrows fall and sparrow fly
And we may not ever know why

The known world is an open letter
The unknown world we'll brave together
I'll knit you a redemption sweater
To wrap your troubles in

You can rest your head upon my heart
And we'll curl into a question mark
And I'll hold you in the arms of hush
And love will have to be enough

Hey, la, hey, la, hey, li
Hush, my darlin', hush a bye
Sparrows fall and sparrow fly
And we may not ever know why

Hey, la, hey, la, hey, li
Hush, my darlin', hush a bye

Sparrows fall and sparrow fly
And we may not ever know why

We may not ever know why
Hush, my darlin', hush a bye
