I was sitting on my doorstep,
I hung up the phone and it fell out of my hand,
But I knew I had to do it,
And he wouldn't understand,
So hard to see myself without him,
I felt a piece of my heart break,
But when you're standing at a crossroad,
There's a choice you gotta make.

[CHORUS:]

I guess it's gonna have to hurt,
I guess I'm gonna have to cry,
And let go of some things I've loved,
To get to the other side,
I guess it's gonna break me down,
Like falling when you're trying to fly, It's sad but
sometimes Moving on with the rest of your life,
Starts with goodbye.

I know there's a blue horizon,
Somewhere up ahead, just waiting for me,
But getting there means leaving things behind,
Sometimes life's so bitter sweet.

[CHORUS:]

I guess it's gonna have to hurt,
I guess I'm gonna have to cry, and let go of some
things I've loved ,
To get to the other side,
I guess it's gonna break me down, Like falling when
you're tryin to fly
It's sad but sometimes moving on with the rest of your
life,
Starts with goodbye.

Time, time heals,
The wounds that you feel,
Somehow, right now.

[CHORUS:]

I guess it's gonna have to hurt,

I guess I'm gonna have to cry,
And let go of some things I've loved,
To get to the other side,
I guess it's gonna break me down,
Like falling when you're trying to fly
It's sad but sometimes moving on with the rest of your
life,
Starts with goodbye
I guess I'm gonna have to cry,
And let go of some things I've loved,
To get to the other side,
Starts with goodbye
Like falling when you're trying to fly
It's sad but sometimes Moving on with the rest of your
life,
Starts with goodbye
