Chorus: Let it go my love my truest, Let it sail on silver wings LifeÂ's a twinkling thatÂ's for certain, But itÂ's such a fine thing ThereÂ's a gathering of spirits ThereÂ's a festival of friends And weÂ'll take up where we left off When we all meet again.

I canÂ't explain it. I couldnÂ't if I tried How the only things we carry Are the things we hold inside Like a day in out the open, Like the love we wonÂ't forget Like the laughter that we started And hasnÂ't died down yet

Chorus

Oh yah, now didnÂ't we And donÂ't we make it shine ArenÂ't we standing in the center of Something rare and fine Some glow like embers Or light through colored glass Some give it all in one great flame Throwing kisses as they pass

Chorus

lust east of Eden But thereÂ's heaven in our midst And weÂ're never really all that far From those we love and miss Wade out in the water ThereÂ's a glory all around The wisest say thereÂ's a 1000 ways The kneel and kiss the ground

Chorus
