I'm flying again,
it's so good to pretend,
I'm in love with the end,
I just want to be yours...

I'm floating away,
it's so good to just play,
I'm in love with today,
only want to be yours..
I just want to be yours,
only want to be yours....

You and me,
all there ever is,
You and me,
is anyone,
You and me,
nothing more than this,
You and me,
is everyone
is everyone...
is everyone....

I'm voting in you,
it's so good to be true,
I'm in love with you,
I just want to be yours...
only want to be yours....

I'm flying again,
it's so good to pretend,
I'm in love with the end,
I just want to be yours...
only want to be yours...
I just want to be yours...
only want to be yours...

I'm flying again,
so good to pretend,
I'm in love with the end,
I just want to be yours...

only want to be yours...
I just want to be yours...
only want to be yours...
