Verse 1

Over the hills and the valleys there is a place that is  
So stress free yeah come with me come with me come  
with  
Me come with me where the kids with smiles everyday  
and  
Grown ups don't have no bills to pay. birds sing so  
Sweet in the trees dew falls so thick on the leaves

Come come come come let us fly let me dry your eyes  
and  
Leave your fears behind. who want stay mek them stay  
mi  
Done mek up mi mind mi gone mi gone mi gone hey

Chorus

Paradise where there is no envy or greed paradise jah  
Fulfill mi wants and mi needs

Paradise where truth rains like hail from the sky

Paradise hey I'm gone yeah

VERSE 2

Work for those find it hard to overstand paradise is  
The cleansing of the mind, purification of your heart  
And soul. don't let the devil take control oh some a  
Look fi paradise in a physical form... paradise it is a  
State of mind and if you search long enough hard  
enough  
And a you will find

Chorus

Paradise where there is no envy or greed paradise jah  
Fulfill mi wants and mi needs

Paradise where truth rains like hail from the sky

Paradise hey I'm gone yeah

### VERSE 3

Well I'm hurting deep inside of me and I'm aching still  
No one could see daddys asleep don't you wake him  
up  
Cause only when he is asleep he finds paradise at his  
Feet. I saw gunsmoke from the rifle. one man is down  
Three more kids get stifled all because of mistaken  
Identity ooh wee ooh wee ooh wee. well we wont tarry  
Where they don't like us babylon I'm sorry I refuse to be  
En slave I'm free from your tyranny ooh wee ooh wee  
ooh  
Wee ooh wee hey

If you keep on starving my kind then you aint no friend  
Of mine and this is where my people draw the line. wi  
Come a wi gone a

### Chorus

Paradise where there is no envy or greed paradise jah  
Fulfill mi wants and mi needs

Paradise where truth rains like hail from the sky

Paradise hey I'm gone yeah

### VERSE 4

Well in I a run from yah so cause yah so a pure hold  
Down yuh know weh mi a sey. call upon king selassie I  
Name everyday backbeat and frontpage a roll with the  
Punches. this is something me want stick in a the back  
Of your mind everytime. here is where the pressure  
Starts and where the pressure lies so find paradise in  
A you mind nuh in a yuh step nuh

### Chorus

Paradise where there is no envy or greed paradise jah  
Fulfill mi wants and mi needs

Paradise where truth rains like hail from the sky

Paradise hey I'm gone yeah
