(Junior's) I've been praying for you  
'Cause I'm lonely and so blue  
Smiles have all turned to tears  
But tears won't wash away my fears

That you never, ever, gonna return  
(Ain't gonna return)  
To ease the fire that within me burns  
(Hey, hey, hey, burns)  
Keep me cryin', baby for you  
(Burning and crying and crying)  
Keep me sighin', baby for you  
(Sighing, sighing and crying)  
(So) Why don't ya hurry  
Come on, girl  
See about me (Junior)

(See if you see about, Junior)  
Yeah, yeah  
(See about, see about Junior)  
See about me  
See if you see about, Junior)  
See about me, yea!

(sax & instrumental)

(See about, see about, Junior)  
(See about, see about, Junior)

(Come see about, see about Junior)  
(Come see about, see about Junior)

I've given up my friends just for you  
My friends have all gone and you, too  
No more peace shall I find  
Until you come back and be mine

No matter what you do or say  
(What you do or say) (Won't do)  
I'm gonna love you anyway  
(Just be that way) (Won't do)

Keep on cryin' baby for you  
(Burning, crying and trying)  
I'm gonna keep on sighin' baby for you  
(Burning, sighing and trying)  
So come on, hurry, yeah, girl  
(Come) See about me (Junior)

Woo-hoo  
(Come see about, see about, Junior)  
See about Junior  
(See about, see about, Junior)  
See about me  
Yeah!

(sax & instrumental)

(I'm talkin' 'bout, Junior)  
(About, Junior)  
(I'm talking 'bout, Junior)  
(About, Junior)

(I'm talking 'bout, Junior, about Junior)  
(I'm talking 'bout, Junior, about Junior)

I'm cryin' out (boo-hoo)  
(Cause Junior's smile is for you)  
(Junior's, dyin' for you)  
(Junior's smile is for you)

FADES:  
Junior's smile.
