Oh no, here comes the new girl in town

I told you all night how t' get the girl  
I told you how to make toes curl  
For once I'm gonna try not to cramp my style  
I know you're kind pretty but I like that smile

But you wanted to dance  
So I might take a chance  
Hoping for a little romance  
Singing 'yeah yeah yeah' x2  
Hallelujah hallelujah

I wonder what you're doing tomorrow night  
Wonder if we'll ever hold each other tight  
Coming to the party standing by the gate  
Did I get here early, or did I get here late?

But you wanted to dance  
So I might take a chance  
Hoping for a little romance  
Singing 'yeah yeah yeah' x2  
'Cause I just wanna be your boyfriend

Mirror mirror on the wall, tell me who's the cutest one  
of them all  
Looking down, I'm looking up  
Walking right past you, my heart begins to stop  
But you wanted to dance  
So I gave you that glance  
And we ended up holding hands  
Singin'  
Hallelujah hallelujah  
Singing 'yeah yeah yeah' x2  
Oh hallelujah hallelujah

We had some good good times at the borderline  
When you held my hand  
We had some good good times with our new found  
love  
Yeah, I think you understand  
But then you let me go x7

(Let me go again) x5
