Intro: sax, instrumental & dance party people

How sweet it is to be loved by you
Whoa, yes it is baby
How sweet it is to be loved by you

I needed the shelter
In someone's arms
And there you were
I needed someone
Understand my up and down
And there you were (yes, you was)

With sweet love and devotion
Deeply affecting my emotion
I wanna stop (stop!)
Thank you, baby (thank you, baby!)
I wanna stop (stop!)
And thank you, baby (how sweet it is, now!)
Hey, now (tell him 'bout it)
How sweet it is to be loved by you
(C'mon, tell about it)
Ooh, yes it is, baby
How sweet it is to be loved by you
(Why don't you tell us about it)
You-hoo

(sax & instrumental)

Close my eyes at night (woo-hoo)
(Hey-hey)
Wonder where would I be
Without you in my life?
(Nowhere, baby)
Evr'ything was just a bore
All the things I did
Seems I did before

But you brought love
In all my days
With a love so sweet

In so many ways
I wanna stop (stop!)
And thank you, baby
I wanna stop (stop!)
Hey!
And thank you, baby

Hey, now
How sweet it is to be loved by you
Ooh, natural baby
How sweet it is to be loved by you
Ooh, alright now-oow.
