Now, you step to the left, baby  
You step to the right, now  
Do the Boomerang, now  
Do the all new thing around

Get yourself together, now  
Get on and soul, now  
Dance like you never danced  
Woo!

Get down on your knees, now  
Baby, do the Sweet Pea, now  
Step to the left, now  
Step to the right, now  
Do the Boomerang, girl  
Do the all new thing around

(sax & instrumental)

I said, step to the left, now  
Step to the right, now  
Woo!

Do the Boomerang, girl  
(Said)  
Do the all new thing around

Hey!

I said now  
Left-left-left-left  
Step-left, right now, girl  
That's what I say

I said now  
Left-step, left-step  
Left-step (left step)  
Hear 'bout what I say.

(sax & instrumental to end)
