Money, who needs it
Let me live my life free and easy
Put my toothbrush in my hand
And let me be a traveling man
Cause I'm a road runner, baby

I'm a road runner, baby
Can't stay in one place too long
I'm a road runner baby
You might look at me and I'll be gone

You can love me if you wanna
But I do declare
When I get restless
I got to move somewhere

I'm a road runner baby
Any where's my home and love the life I live
And I'm gonna live the life I love
Road runner, baby

Don't want no woman to tie me down
Got to be free, baby to roam around
All my life I've been like this
If you love me it's your own risk
When the dust hit my shoe I got the urge to move

Says I'm a road runner baby
Got to keep on keeping on ,hey
And I live the life I love
And I'm gonna love the life I live
Says, I'm a road runner, baby
