(Intro - instrumental)

The best things in life are free  
But you can give it to the birds and bees  
I need mon-ey  
(That's what I want)  
That's what I want, hey!  
(That's what I want)  
I need money, that's what I want  
That's what I want

Your love give me such a thrill  
But your love won't pay my bills

I need mon-ey  
(That's what I want)  
That's what I want  
(That's what I want)  
Hey!  
That's what I want  
(That's what)  
That's what I want  
(What I want)  
That's what I want  
(That's what I want)

(sax & instrumental)

Money can't buy ev'rything, it's true  
But what it don't buy, I can't use

I need mon-ey  
(That's what I want)  
That's what I want  
(That's what I want)  
That's what I want  
(That's)  
That's what I want  
(What I want)  
That's what I want  
(That's what I want)  
Hey!

Give me money  
That's what I want  
I need money  
That's what I want

Got a shape an a pretty face  
But there ain't nothin'  
Can take the place

I want money  
That's what I want  
That's what I want  
That's what I want  
That's what I want

I need money  
That's what I want

You do the Twist, baby  
That won't do

You can do the Hully Gully  
But that won't do  
Whoa

Get yo' shotgun  
But that won't do

Do the Twine  
That won't do

'Cause I need money  
To keep me true  
Whoa!

I need money  
To keep me true

Baby, now what'd I say

Oh, you know what I mean  
Woo!

(sax & instrumental)

I need money  
That what I want

'Cause I need money  
To keep it true  
Hey!

Looks like, maybe  
Yeah, you are through

'Cause I need money  
To be with you

I need money  
That's what I want

That's what I said  
That's what I want  
Woo!

(sax & instrumental to end)
