You don't love me, baby, just like I love you  
If you loved me, woman, you wouldn't have me standin'  
'round cryin'  
I was walking out the back door, when somebody else  
was tippin' in  
Lord, it hurt so bad, to hear him call your name

Somebody's digging my potatoes, trampin' on my vine  
You know I feel so bad, people, ain't it a cryin' shame  
Keep on steppin', mama, don't come around my house  
no more  
Lord, I'm so glad to see you walk right on by that door

Lord, I need somebody, to hold me in their arms  
Lord, just make me feel so good, please don't let me  
cry no more  
Lord, I'm moving, yes I'm moving, movin' on down the  
line  
I got a real funny feeling', li'l girl I can't use you no  
more
